Dear [Redacted] STAT

The Department of State twice has called on FBIS over the last two weeks to assist it in responding to short-notice requests from both Vice President Bush and Secretary Shultz for information on foreign reaction to the TWA 847 hijack crisis.

As often happens, the requests came late on Friday evening (June 28 and July 5) and had to be completed by Saturday noon. Time constraints notwithstanding, your wire service personnel came through with first-class products that were accurate, timely and comprehensive.

Please share with them my appreciation for a professional job well done.

Sincerely,

  
Morton I. Abramowitz
